

## 10W Solar Power Kit

### LiFePO4 Battery - 12.8V 10Ah

- Eco-Friendly
- Integrated BMS and safety switch
- Long lifespan
- No active maintenance
- Light weight champion
- High efficiency

### PWM Solar Charge Controller - 12V 10A

- 32-bit high-speed main control chip
- Functional LCD display
- Safe & Reliable

### Solar Panel - 10W

- Heavy duty aluminum Frame
- Waterproof junction box
- Glass: Low Iron, high transparency tempered glass of 3.2mm
